

sQuid for students who are new to George Spencer

Well done on getting your place at George Spencer. You will receive your sQuid login details on the first day of term. We suggest you bring a packed lunch for the first two weeks or until you have received your new sQuid card. Once you have your card you will be able to taste the range of delicious food that we offer at George Spencer.

We wish you all the best with your studies.
